Identity – God Changes You
Ephesians 2:1-10
Troy Thomas
Sunday, November 5th, 2017

Who am I? What is my identity? Identity is a major issue in our time. Some people even yearn for a different identity. But God creates us and has our true identity in mind. And God alone changes who you really are.

A. You were _____

B. But God _____ you

C. You are _____

D. Really ... God _____ you

For Reflection:

- What do the Ephesians share with the “rest of mankind”?
- Why does God make us alive?
- Who else did God make alive?
- How does one go from being dead IN sin to dead TO sin?
- What can't we boast about?
